

# PreK Class Preference

Student's Name \_\_\_\_\_ Date \_\_\_\_\_

Birthday: \_\_\_\_\_ My child will be \_\_\_\_\_ years old on June 1.

Thank you for your interest in our PreK program, a half-day instructional program, with child care provided for the rest of the day to those who need this service. You may choose the morning or afternoon class, as well as reserving a spot in the child care program, by filling out this form. Please give us as much information as possible; we will do our best to accommodate your requests.

**The child care program** is a drop-in service so you are not required to have your child here every day or leave them for the entire time. Each month you are billed separately at the rate of \$2.00 per hour for the time your child was present in the child care program. The child care program includes playtime, naptime, and planned activities. Students may bring a packed lunch, or order hot lunch or salad bar from the school cafeteria for \$2.10 per day.

**The after school care program** is also a drop-in service so you are not required to have your child here every day or leave them for the entire time. It is run by the Beyond the Bell here at the school and you are expected to pay ahead by putting money on account each month. The fee will be \$2.00 per hour again this year. This program includes snack, playtime, and planned activities.
