Vision

Champions for Life

Our student athletes are taught to be champions for life both inside and outside the lines of competition as they serve a lifetime in Christ who transforms their hearts, relationships, and careers.

Commitment – Deciding to invest for a purpose

Humble/Hungry- God gave you the ability; it is your job to maximize it

Attitude of Gratitude

Mental toughness - Ability to focus on the job at hand

Perseverance- to press on no matter the obstacle

Integrity – living above reproach

Opportunistic – take advantage of every opportunity

Next play – not allowing a mistake or great play to negatively affect the next play

Service – Giving of yourself to others

Our Philosophy of Athletics

The main approach to athletics must stem directly from the school's Christian philosophy of education since it is foundational to every part of the total school program. A brief philosophical statement of athletics is "to develop the athlete spiritually, mentally, and physically so that his spirit, mind, and body are directed and controlled by the Holy Spirit." (I Thessalonians 5:23)

I Corinthians 10:31 states, "So whether you eat or drink or whatever you do, do it for the glory of God." Therefore, the Christians athlete ought to strive for excellence because he is motivated by the desire to use his talents for "the glory of God." By using I

Corinthians 10:31 as a biblical base, there are three basic facts that constitute the Christian Philosophy of Athletics.

- First, athletics is a ministry. Lakewood Park Christian School seeks to minister to others. There are a number of methods of outreach in which the Panther athletes may be involved. These would include post-game entertainment, prayer, testimonies, one-on-one evangelism, and witnessing. Sportsmanship and appearance are also very important in helping the athletes realize their responsibility "to show forth Christ through sports."
- Second, athletics is a method of achieving goals. Some of these goals should include showing school spirit, promoting LPCS, glorifying Christ, seeking God's best, and developing as a total person.
- Third, athletics is a means to an end. Each individual athlete must desire to excel for the glory of God. By doing so, an athlete will tell the world that a Christian is capable of being competitive in sports as well as being totally dedicated to Christ. Athletics is a great tool to propagate the Gospel of Christ to unbelievers.

Like everything else in the Christian life, athletics must be kept in balance. As Paul reminds us in I Timothy 4:8, "*bodily exercise profiteth little.*" In other words, we must strive to keep athletics at Lakewood Park Christian School in the proper perspective. Athletics are to be fun and helpful in the Christian life, and also to build the character of Christ in each athlete. Jesus Christ is alive! Let's make it known through sports at Lakewood Park Christian School!

Part III-Orientations & Meetings

Part IV-Parent/Athlete Code of Conduct

Expectations of Conduct

The manner in which **athletes** conduct themselves during school and at school-related activities reflects upon them, their team, their school, and their God. Students, by joining a team, accept the responsibility to observe policies established by the school, athletic department and the IHSAA. Failure to observe these policies may result in disciplinary action and/or removal from the team.

Parents and Fans are expected to observe the same policies established by the school, athletic department, and IHSAA. Parents failing to observe these policies will be asked to leave the premises or facility immediately. No **athlete** or **parent** may publicly criticize or berate an official, coach, or other athletes prior to, during or following a contest. Under no circumstance will an athlete or parent confront, question, challenge, rebuke or threaten any coach, athlete, or official.

Officials and school administrators are responsible for the control of spectators during an athletic contest. Officials are responsible for the contest itself. Spectators will either be asked to restrain themselves or leave the premises if they interfere with the conduct of a contest or cause an official, coach, or athlete to become distracted through continual, verbal abuse.

Part V-Athlete/Parent Handbook

Eligibility

Academics

- Grades are figured on the previous or present nine-week grading period, depending on when the season begins. Spring grades will determine fall eligibility for the next school year.
- Students must be enrolled in 6 courses.
- A student must maintain at least a 75% average, with no F in any subject, academic or non-academic to remain eligible.
- A student can become ineligible at the end of any quarter and will remain ineligible until the appropriate improvement has occurred. This is determined at the Midterms of each quarter. If at that time they are meeting the requirements academically, they are able to be reinstated as an eligible player for their team.

Game Day Attendance

- A student must be present for 4 of 8 periods to be eligible to participate in extra curricular activities that school day. The same is true for Friday attendance before extra curricular activities on the following Saturday.
- On days with less than 8 periods students must be present for half the time school is in session.
- Absences must be excused as determined by the administration if the student is to participate in the game.
- School mandated absence will be assessed by the administration to determine if athlete can participate in that evenings sporting event after an absence.

Attendance for Practice

Attendance is required at all practice sessions unless the student is ill or their parents have made a prior request. Students are encouraged to refrain from scheduling any appointments during practice sessions. The coach will deal with an unexcused absence in a manner that he/she feels is appropriate. The second unexcused absence by the student will constitute dismissal from the team or cheerleading squad. The general guidelines for excusing players from practice and/or games are as follows:

- Illness or death in family is excused
- Emergency doctor/dentist visits are excused. Regular appointments are not. Each team has several days off during which these things can be scheduled.
- Jobs, babysitting, parents benching a player, and academic or conduct ineligibility are not excused because of the impact they can have on other team members.
- Expectations to the above rules may be permitted. If a player or family has a legitimate reason why the athlete cannot attend a certain practice, the coach must be notified well in advance of the practice time that will be missed (the day before does not constitute an advance warning.) Ultimately, the coach and administration, having the final say, will decide if the absence is excused or unexcused.

Early Dismissals

- Because of travel, it is sometimes necessary for teams to leave school prior to normal dismissal times. It is the responsibility of the student-athlete to arrange with teachers to make up any missed work.

Game day attire

- Student/athletes are expected to dress appropriately while traveling to and from athletic events. Each coach will determine appropriate dress for the team in conformity with school policy.

Transportation

- The head coach is responsible for all transportation arrangements to and from away contest. Please reserve the mini bus well in advance in the athletic office.
- Student/Athletes should travel with the team to games. Player may ride home from games with parents, only if parents receive permission from the coach or sponsor.
- The head coach should communicate to the athletic office early departure times from school for away contests.

Students are not to be used as drivers to athletic events. Coaches, parents, and adult volunteers shall drive all buses and other vehicles, and must be on the approved driver list.

be determined by the coach after meeting with the parents and the Athletic Director. Suspension or removal from a team may be determined by the school administration for repeated conduct offenses

Anti-Hazing

- The Department of Athletics at Lakewood Park Christian School has a "zero tolerance" policy in regard to hazing. As such, the department supports only those activities which are constructive, educational, inspirational, and that contribute to the intellectual and personal development of students. Lakewood Park Athletics unequivocally opposes any situation created intentionally to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Lakewood Park interprets **hazing** as any act whether physical, mental, emotional, or psychological, which subjects another person, **voluntarily or involuntarily**, to anything that may abuse, mistreat, degrade, humiliate, harass, or intimidate him/her, or compels another member to participate in any activity which is against university policy or state/federal law.
- Violations of this policy include, but are not limited to, departmental or school probation, suspension from the team and/or the school; expulsion from the team and/or school. In addition, the team may be subject to group discipline that can include, but is not limited to, team probation, cancellation of individual contests, and/or cancellation of the entire season.

Varsity

- At the Varsity level, the commitment is to field the best possible teams.
- Playing time at the Varsity level, is determined by coaching decisions made during practice and while contest are in progress.
